

CERTIFICATE OF RoHS DIRECTIVE COMPLIANCE

We, **GRAVIC**
123 ZI de l'Argile 2, Voie K
06370 MOUANS-SARTOUX
FRANCE

certify, by this present, :

- Having regard to the European Directive **2011/65/UE** of 8 June 2011 (**RoHS Directive - Restricts the use of the Hazardous Substances**) on the restriction of the use of certain hazardous substances (cadmium, chromium VI, mercury, lead, PBB: Polybrominated Biphenyls, PBDE: polybrominated diphenyl ethers) in electrical and electronic equipment, and its application regulations,
- Having regard to the European Directive 2015/863/UE
- Having regards to the European Directive 2018/739/UE
- Having regard to the diverse application regulations subsequent to these different rules,

of which we are fully aware, commit ourselves to respecting them and to using all industrial and human means for insuring their enforcement.

We assure for Gravic that all the supplies and products delivered to you, are manufactured in conformity with the requirements of the texts here above and do not contain, or in the authorised proportions, the hazardous substances mentioned in articles 4, 5 and 6 of the RoHS Directive.

We undertake to respect systematically future European laws and regulations as well as the future ones from the delivery country indicated on the order concerning prohibition or limitation of the use of certain products or substances.

This answer is based to information provided by our suppliers of raw materials.

For GRAVIC,

Director
M. JACQUEMIN
Signature for the representative of the C.E.O.
